To Whom It May Concern:

Ambika Pandey is a trustworthy nanny with over 20 years of experience. She has been working with my children, ages 2 and 4 for almost 4 years and has done a terrific job with them. She is caring and loving with my children and has established a strong bond with each of them. She loves our children and keeps them safe and happy. She has also created a wonderful social circle for my kids and has developed great relationships with other nannies/kids in the building and neighborhood. She is extremely reliable, punctual and almost never calls in sick. Unfortunately, we are moving out of the city, but we would love for her to find a family she can be with long-term.
